REF: APPRECIATION FOR THE SUPPORT YOU HAVE GIVEN ME.

It is my great pleasure to write this letter to you. I would like to take this opportunity to appreciate you for the support you have given me and my family during this hard time of coronavirus pandemic. My guardian also appreciated your firm stand with me during all the times of difficulty. Life has been so hard to most families since the date of the first case of Coronavirus in our country. This is because all the businesses were closed and this is the only source of revenue to most families. I am thankful because with me you have supported ^{me} and ensured that I have all the basic needs and especially as a lady.

I also want to take this opportunity to thank you for the support you have been giving me during school days. You have been paying my school fees to ensure that I always be in school. Since our schools are still closed up to next year, I am trying my level best to study at home so that I don't make your money worthless. May God bless you and protect you during this Coronavirus pandemic and have the spirit of continuing to help me and not only me but also other children who are needy like me.

Thank you,

Adul Irine Adhiong.
